**Please Note:** This retainer is required for all bookings except Pre-Event Makeup Trials. The retainer is NON-REFUNDABLE and NON-TRANSFERABLE. The retainer is a part of the total price and will be deducted from the total once booking has been completed. A credit/debit card is required on file to pay for your retainer and in case another chargeable fee must be made. The transaction fee is NOT a part of this fee.

### **Trial Retainer: \$50**

**Please Note:** This retainer is required for all Pre-Event Makeup Trials and Face-to-Face Consultations. The retainer is NON-REFUNDABLE and NON-TRANSFERABLE. The retainer is a part of the total price of your trial or consultation and will be deducted from the total once booking has been completed. ### **Tardiness Fee: \$20 first 15 minutes of tardiness**

**Please Note:** This fee will be added on to your total if you are 15 minutes late to your session and/or have the artist wait while another service provider works on you. Once 25 minutes or more of tardiness has occurred, the cancellation fee will be charged and your appointment will be canceled. Karma's Kreations Artistry may have other clients after your session. A delay in time could create a domino effect for other sessions following your appointment which could cause the artist to be late to future sessions that day.

### **Cancellation Fee: 75% of remaining balance (100% if trial)**

**Please Note:** This fee will be charged if you cancel within 12 hours or less prior to your scheduled time on your appointment or if you are more than 25 minutes late to your session. Karma's Kreations requires at least 48 hours' notice prior to all bookings and will accept bookings within 6-24 hours' notice prior to the event at the very latest. Your retainer will NOT be refunded if you choose to book and you will receive a \$25 fee for booking on the same day. Your appointment runs the risk of being canceled if all necessary requirements are not completed as requested. All persons must come to the location of the artist. The artist will NOT

travel for any regular makeup bookings. All persons being serviced must be FULLY VACCINATED and must bring proof of vaccination to their appointment.

**Adjustment Fee: \$20**

**Please Note:** This fee will be charged if:

- you wish to make any changes or adjustments within **24 HOURS** prior to your session date.
- Outside of the 1-week window, a customer makes **MORE THAN TWO (2) CHANGES** to their booking.
- a **THIRD** invoice must be sent, the adjustment fee will be charged. All clients are eligible to receive **ONE (1) EXTRA INVOICE** sent to their email with the requested changes.

Please be sure that all persons involved in getting their makeup completed are secured in their decision to follow through. This will allow the client to refrain from having to pay any extra fees for too many last minute decisions and reduces confusion on final pricing.
